Things to remember:

- Wear your drumline shirt, shorts and black shoes to our rehearsal at school
- Bring your uniform in your bag – all parts, including your hat (and **black** socks!)
- Bring a sack lunch to eat on the bus
- You may want different shoes or shorts to change into after we perform
- The weather looks great for Saturday, but might be a bit chilly after dark – bring something warm if you think you need it
- You may want to bring money for concessions or souvenirs
- While at the stadium, you **must** be in your drumline shirt and we **will** sit together – you may go to the concession stand, etc, but I expect you to stay in the stands otherwise
- Be respectful of other performances – do not enter or exit the stands while a group is playing
- **Invite all your family and friends!**
