Dear Pirate Band parent;

In an effort to keep you better informed in this advanced technological age, we wanted to take just a few minutes to review the existing resources in place to receive information about upcoming events of our band. As many of you already know, our primary source of information outside of classroom handouts is our website: www.poteetpirateband.org. Please take time to visit this site to stay up with our current events. Resources available include the current calendar, news updates, order forms, and Adobe PDF versions of the most recent handouts given to your student during class.

We are using this letter to obtain a working email address for both parents as well as an address that the student checks regularly. Our goal is to open an additional line of information. We hope to use this information to send occasional email reminders regarding upcoming deadlines and events. This will give us another way to contact parents.

Please take a moment to fill in the blanks below. Your signature acknowledges that you understand that the mother or father's email address may be used for correspondence regarding your student's grades, conduct or other personal information.

Sincerely,

The Poteet High School Band Directors
